Termiz shahrida keng koʻlamli obodonlashtirish va koʻkalamzorlashtirish ishlari jadal davom etmoqda

Termiz shahri qiyofasini butkul oʻzgartirish, zamonaviy, odamlar uchun qulay va yashillikka burkangan shaharga aylantirish boʻyicha chora-tadbirlar belgilab olingan boʻlib, Prezident topshirigʻi bilan amaliy ishlar olib borilmoqda.

Xususan, shaharning Ibn Sino markaziy koʻchasida obodonlashtirish va koʻkalamzorlashtirish, sugʻorish tarmoqlarini montaj qilish ishlari, qurilish-taʼmirlash, uylarning fasad qismini boʻyash, piyodalar yoʻlaklari qurilishi va shu kabi boshqa ishlar amalga oshirilmoqda.
